

Trust- Transparency Paradoxes

An international conference

Sciences Po Lyon, France, 4th May 2018

Programme

09.00-09.30 Registration and Welcome

09.30 Introduction to the conference: Alistair Cole (TRIANGLE) & Sally Power (WISERD)

10.00 The WISERD-TRIANGLE partnership: Claude Gauthier (TRIANGLE) & Ian Rees Jones (WISERD)

10.30-12.30 Panel One: *Trust- Transparency Paradoxes*

The papers in this panel explore the many trust-transparency paradoxes as they play themselves out at multiple levels of government. Mobilising the related concepts of trust profiles and the trust-transparency matrix, the papers present interim findings from the UK, France and Germany, as well as bespoke contributions on the Lyon metropolis and the EU.

Session Chair: Claude Gauthier, TRIANGLE

Alistair Cole (Sciences Po Lyon-TRIANGLE), Romain Pasquier (Sciences Po Rennes, ARENES), & Jeanne Chauvel (Sciences Po Rennes, ARENES): *Trust- Transparency paradoxes: Evidence from the French Regions*

Ian Stafford (WISERD & Cardiff University) & Dominic Heinz (WISERD), *Trust- Transparency Dynamics in the UK and Germany*

Isabelle Garcin-Marrou (Sciences Po Lyon, ELICO) & Simon Gadras (Université de Lyon 2, ELICO) *Confiance-transparence et communication: une analyse de contenu des données d'une enquête dans la métropole lyonnaise*

Cécile Robert (Sciences Po Lyon, TRIANGLE) *Entre instrument de la critique et discours de légitimation: les ressorts ambivalents de la promotion de la transparence à l'échelle européenne et leurs effets.*

12.30-14.00 Lunch

14.00-16.00 Panel Two: *Trust, Transparency and Third Sector Engagement in Policy-Making*

The problematic of trust and transparency is sometimes linked with co-construction. Developing the theme of trust-transparency paradoxes, the papers engage with questions such as: What are the trade-offs between trust and transparency in policy networks? What are the consequences of 'process transparency' for patterns of governance? Has there been an evolution from trust without transparency to the new norm of trust with transparency?

Session Chair: Renaud Payre, Director of Sciences Po Lyon

Paul Chaney (WISERD & Cardiff University) *Trust, Territoriality and Third Sector Engagement in Policy-Making and Welfare Provision*

Christophe Parnet (Sciences Po Lyon & TRIANGLE) *Fabriquer la confiance par la co-construction à Marseille*

Stuart Fox (WISERD & Cardiff University) *Political trust and political alienation: the Brexit referendum*

Julien Barrier & Olivier Quéré (ENS-TRIANGLE) *Les recompositions de l'Etat au regard la division du travail administratif : le cas des cadres intermédiaires de la fonction publique*

16.00 Tea break

16.30-18.30 Panel Three: *Resilience, Trust and Transparency in Knowledge, Innovation and Education*

Drawing on a long tradition of comparative studies, the contributions explore the changing frontiers of the state and civil society and address core questions such as: How resilient are relationships in the field of education? What sort of policy instruments are transparency and accountability in the field of education? Are there recognisable trust-transparency trade-offs in patterns of educational governance?

Session chair: Alistair Cole (Sciences Po-TRIANGLE)

Chris Taylor & Sally Power (WISERD & Cardiff University): *The changing frontiers of the state and civil society in education*

Renaud Morel (Triangle): *Éducation, villes et travail partenarial en France et en Angleterre.*

Daniel Frandji et Sidonie Rancon (Triangle): *Actualité de la territorialisation des politiques éducatives en France: entre injonction à l'innovation, régulation, extension de l'expertise et pluralité normative.*

Helene Buisson-Fenet (ENS- TRIANGLE) *Restaurer la confiance ou rendre responsable ? La place des « usagers » dans les politiques d'accountability en éducation : une comparaison France-Québec.*

The Wales Institute of Social and Economic Research, Data and Methods (WISERD) is a national, interdisciplinary, social science research institute. We have been designated by the Welsh Government as a national research centre. Using innovative approaches, our research spans the fields of economics, sociology, geography and political science.

We are a collaborative venture between the universities of Aberystwyth, Bangor, Cardiff, South Wales and Swansea – working together to improve the quality and quantity of social science research in Wales and beyond. Our research effects change by influencing the development of policy and practice across a range of sectors.
